OFFICE MEMORANDUM

Subject: Inclusion of additional subjects at M.Sc. level for Scholarship support under INSPIRE-SHE (Scholarship for Higher Education) Component of INSPIRE scheme of Department of Science and Technology.

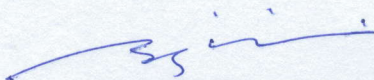

Under SHE component of INSPIRE Program, scholarships are provided to the eligible scholars for pursuing graduation and post-graduation degree courses in Basic and Natural Science areas. Under INSPIRE-SHE, 18 subjects are supported at graduation level and 22 subjects at post-graduation level covering the major areas under Basic and Natural Sciences.

The Standing Committee on INSPIRE-SHE has recommended 8 additional subjects to be incorporated at M.Sc. level for Scholarship support. Accordingly, following 8 subjects are included at post-graduation (M.Sc.) level for Scholarship support under INSPIRE-SHE:

1. Biostatistics
2. Bioinformatics
3. Biotechnology
4. Data Science
5. Environmental Science
6. Materials Science
7. Nano Science
8. Remote Sensing and GIS

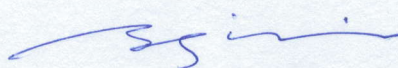

This provision will be effective from academic year 2022-23.

This issues with the approval of competent authority of DST.
