b) Scholars are advised to submit their yearly Mark-sheets and Performance Report on-time, **preferably within two (2) months of announcement of yearly result** to facilitate the payment of scholarship by DST-INSPIRE. However, keeping in view the diverse time schedules (late session) of the examinations in Universities across the country, scholars are permitted for a maximum period of **twelve (12) months** to submit their Performance Report and Mark Sheets for a given completed academic year **ending June every year**. For example, a 2014 batch enrolled student is expected to submit the First Year Performance Report and First Year Mark Sheet before 30th June 2016. This analogy can be followed by other batches for the release of the INSPIRE Scholarship. After the expiry of maximum time period of 12 months, no document shall be considered. No representations in this regard shall be entertained.

In order to inculcate scientific values and develop scientific temper, scholars are required to enrol in a Summer Research Project every year during the summer holidays, in recognized research centres of their choice across India, **outside their parent institutions**. Under INSPIRE-SHE, ` 20,000/- per annum is provided as Mentorship grant to the INSPIRE scholar, to undertake Summer Research Programmes. Mentorship grant shall be transferred to bank account of scholar. After completion of the project, scholar should submit the following documents to the DST:

In case of receiving more than 10000 eligible applications in a given year, the selection would be on the basis of the Board Inclusive Model within the available number of Scholarships in that year. As per the recommendations of the INSPIRE Scholarship Standing Committee, the calculation will be done on pro-rata basis of valid applications. The calculation will be done in terms percentage % marks for each respective Board w.r.t. total number of valid applications across all respective Boards against the total number of scholarships available under INSPIRE-SHE in the same year.

Board-wise Quota = No. of Valid Applications of any Board / Total No. of Valid Applications x 10000

Q.28. If a Scholar wants to withdraw the SHE scholarship after B.Sc. whether scholar will be eligible to apply under INSPIRE Fellowship component after completion of M.Sc./M.S.?

In such case, scholar will be eligible to apply only as a general candidate with fulfilling eligibility condition of being University 1st rank holder in the subject area in which M.Sc./M.S. qualification has been obtained.
